Lariat seat features

- Genuine cowhide is tanned and cut to produce unique leather covers – no two seats are the same
- Each seat will break-in to be supple with a distinctive appearance, further enhancing the unique appeal of the free-range leather
- Like a Heel's Down, each Lariat seat is specially designed to position the rider lower and forward for better control and riding comfort
- Each solo saddle is low, wide and contoured to allow the rider to securely plant feet when stopped
- Each seat contains the internal hardware to accept an optional matching driver's back rest (back rest is sold separately)
